

## Crack, Pop and Swoosh – Jan 16, 2015

Crack, Pop and Swoosh was an experience just recently. The event happened in an instant without any warning. That started me thinking about "The last day" of the bible. You know the split second that separates this world and the next instant with everyone standing in front of the judgment throne ready to be judged either to be thrown into the lake of fire or not.

RSV Revelation 20:14-15

14 Then Death and Hades were thrown into the lake of fire. This is the second death, the lake of fire;

15 and if any one's name was **not found written in the book of life, he was thrown into the lake of fire.**

The life after that split second is not thought of much. Mt24:37-39 that the second before will be filled with eating and drinking & marrying - no worries or cares for the impending dissolution of the known world.

RSV Matthew 24:37-39

37 As were the days of Noah, so will be the coming of the Son of man.

38 For as in those days before the flood they were **eating and drinking, marrying and giving in marriage**, until the day when Noah entered the ark,

39 and they did not know until the flood came and swept them all away, so will be the coming of the Son of man.

This instant between the 2 worlds is not a long prolonged event where one can see it come and "get themselves ready" by repenting from the sinful lifestyle -1Cor15:52, Lk17:20.

RSV 1 Corinthians 15:52 in a moment, **in the twinkling of an eye**, at the last trumpet. For the trumpet will sound, and the dead will be raised imperishable, and we shall be changed.

NASB Lk17:20 Now having been questioned by the Pharisees as to when the kingdom of God was coming, He answered them and said, "**The kingdom of God is not coming with signs to be observed;**

We won't know when Jesus will return so if you are not already walking the straight and narrow road then you will be yanked from the broad and wide road which leads to destruction without any chance of getting on the narrow road

RSV Mark 13:35-37

35 Watch therefore--for **you do not know when the master of the house will come**, in the evening, or at midnight, or at cockcrow, or in the morning--

36 lest he **come suddenly and find you asleep.**

37 And what I say to you I say to all: Watch."

Be prepared, Study, Read, Listen to the bible. Be biblically baptized so that you may receive the Holy Spirit which will lead you to the truth. Pray for protection so that Jesus will send Angels down to block all exits off the narrow road.

What was the event of mine that cracked, popped and swooshed?

A wave of water. I had kept a 5 gallon glass bottle in the car overnight (it was down to 34 degrees F). I stopped and filled up the bottle with some water fill up station. Within a minute while I was driving I heard the crack, a distinct pop and a swoosh.

The bottle had shattered due to the temp difference? Normally I hear a thud as I turn a corner and the bottle bumps the side door. I reached back to upright the bottle and my fingers were sliced on shards of glass.

A wet vac, towels and moisture absorbers are the present practice to suck out the water.

Don't be caught when Jesus comes at you like a tidal wave to pull you out of the wide road and throw you into the lake of fire.

Regards,
