

**War in the heavens: Battle for the 2nd heaven - O'Malley Family Bible Study - Oct 17, 2012**

When you lose a battle, you regroup, count your loses and attack again. Satan put all his chips on the table, gambling that his sudden surprise attack would catch the third heaven (2Cor12:2) off guard. He found out he wasn't the stronger man as Lk11:21 states:

RSV Luke 11:21 When a strong man, fully armed, guards his own palace, his goods are in peace;

RSV 2 Corinthians 12:2

2 I know a man in Christ who fourteen years ago was caught up to the **third heaven**--whether in the body or out of the body I do not know, God knows.

Satan went from being a covering cherub to a person non gratis. He lost his place in the third heaven and could no longer mount a campaign in that realm. Where else could he regroup and mount a counter attack?

.....In the second heaven.

There is an urgency in the fight because he knows his time is short Rev12:12

RSV Revelation 12:12 Rejoice then, O heaven and you that dwell therein! But woe to you, O earth and sea, for the devil has come down to you in great wrath, because **he knows that his time is short!**"

How does he know his time is short? Quite obvious when your employer fires you, kicks you out of your corporate housing, stops your paycheck and tells you never to return that you might just think he doesn't have high feeling for you.

Satan lost his reputation, job, housing, income. He is on the ropes, on the run against a superior number of troops like David was when David was on the run from King Saul however satan will not have the victory David saw.

Who told satan that his time was limited? A royal law in Heaven - probably. Rebellion is the sin of witchcraft (1Sam15:23). Those engaging in witchcraft will be put to death Ex22:18.

KJV 1 Samuel 15:23 For **rebellion is as the sin of witchcraft**, and stubbornness is as iniquity and idolatry. Because thou hast rejected the word of the Lord, he hath also rejected thee from being king.

KJV Exodus 22:18 **Thou shalt not suffer a witch to live.**

Could satan have determined his time was short due to prophecies? Hindsight is 20/20, once an event happens then a prophecy can be clearly understood. Where were the prophecies recorded?  
.....In the second heaven.

The book of Enoch is one of the Dead Sea scrolls covers a period from creation to the birth of Noah. The book of Enoch 8:5-7 mentions that satan and crew knew the stars since they taught them to mankind when they came down to earth.

Long before the bible was written the stars declared the end from the beginning. In the book by E Raymond Capt "The glory of the Stars, A Study of the Zodiac", Artisan Publishers 2002. Mr. Capt traces back the origins of the constellation and how their meaning from the beginning laid out the bible story. From the book it's stated that there are 12 constellations and each constellation has sub constellations. The star pattern show the redemption and judgment timeline. The high level break down is at the end of this study from pages 140-141 of the book (the more detail explanation is reserved for one to read the book). Mr. Capt rediscovered the names of the constellation by reviewing ancient artifacts. One of them was the zodiac on the ceiling of the Portico of the temple of Esneh in Egypt. The zodiac shows the defeat of satan. Are there other star patterns that satan knows about that we don't? Probably. He now knows the victory pictured in the stars was Jesus' and not himself.

The constellations were known at Job's times when he mentions several *Kimah*, the Pleiades; the *Kesil*, Orion; *Ash*, or *Ayish*, the Hyades; *Mezarim*, the Bears (Great and Little); *Mazzaroth*, Venus (Lucifer and Hesperus); *Hadre theman* — "the chambers of the south" — Canopus, the Southern Cross, and a Centauri; *Nachash*, Draco.

The book of Jasher (referenced in Joshua 10:13 & 2Sam 1:18; Jasher covers a period from creation to the conquest of the promise land by Joshua) also speaks of the constellations and how the knowledge of the stars was known to Joseph while in Egypt and that Jacob taught his children.

Jasher 53:18-22 Artisan Publishers, 2011

18. And he ordered them to bring before him his **map of the stars**, whereby Joseph knew all the times, and Joseph said unto Benjamin, I have heard that the Hebrews are acquainted with all wisdom, dost thou know anything of this?

19. And Benjamin said, Thy servant is knowing also in all the wisdom which my father taught me, and Joseph said unto Benjamin, Look now at this instrument and understand where thy brother Joseph is in Egypt.

20. And **Benjamin beheld that instrument with the map of the stars of heaven**, and he was wise and looked therein to know where his brother was, and Benjamin **divided the whole land of Egypt into four divisions**, and he found that he who was sitting upon the throne before him was his **brother Joseph**, and Benjamin wondered greatly, and when Joseph saw that his brother Benjamin was so much astonished, he said unto Benjamin, What hast thou seen, and why art thou astonished?

21. And Benjamin said unto Joseph, I can see by this that Joseph my brother sitteth here with me upon the throne, and *Joseph said unto him, I am Joseph thy brother*, reveal not this thing unto thy brethren; behold I will send thee with them when they go away, and I will command them to be brought back again into the city, and I will take thee away from them.

22. And if they dare their lives and fight for thee, then shall I know that they have repented of what they did unto me, and I will make myself known to them, and if they forsake thee when I take thee, then shalt thou remain with me, and I will wrangle with them, and they shall go away, and I will not become known to them.

Where did Jacob learn about the stars? From the books that Enoch passed down To his son Mathusalah Enoch81:1-3. In the Book of Enoch78:1-2 it's mentioned that Uriel (one of the arch angels) instructed Enoch on all the heavenly body motions.

Book of Enoch 81:1-3

1. Now, my son Mathusalah, all these things I speak unto thee, and write for thee. To thee I have revealed all, and have **given thee books of everything**.

2. Preserve, my son Mathusalah, the books of the hand of thy father; that thou mayest **transmit them to future generations**.

3. **Wisdom have I given to thee, to thy children, and thy posterity, that they may transmit to their children, for generations forever**, this wisdom in their thoughts; and that those who comprehended it may not slumber, but hear with their ears; that they may learn this wisdom and be deemed worthy of eating this wholesome food (IIEzra1446-48)

Book of Enoch78:1-2

1. And now, my son Mathusalah, **I have shewn thee everything; and the account of every ordinance of the stars of heaven is finished**.

2. **he shewed me every ordinance respecting these, which takes place at all times and in all seasons under every influence, in all years, at the arrival and under the rule of each, during every month and every week....**

What did these books that Enoch handed down to his son contain?

The book of Enoch covers the following subjects:

Chapter 71: rising and setting of the sun throughout the year

Chapter 72-73,77,78: the rising and setting of the moon, changes of the brightness

Chapter 74: seasons of the year

The Enoch's books were just one of the items that Noah carried into the ark to preserve from the destruction of the flood. One of the things that Enoch passed down would be the meaning of the zodiac star constellations patterns in the heavens because it spoke of the coming of Jesus before the Bible was written.

The heavens declare that at some time, satan would be judged and thrown into the lake of fire.

If you were Satan and you knew that at some distant time you and your failed coup attempt team were going to be thrown into the lake of fire for your rebellion. How could you prevent that?

It's my speculation that Satan then took the battle into space. Since plan A failed (a sudden, quick war in the 3rd heaven) then Satan switched to plan B destroy the earth. If earth is destroyed then there would be no lawgiver being born to judge and convict you. If the earth was destroyed then you live and will not be in torment for eternity. Just as in Star Wars the Death Star would come to a planet and destroy it. What was Satan's death star?

..... Another planet colliding into earth.

That's going far out, saying that Satan can control the motions of planets. It's stated in Enoch 78:5 that the angels control planets. With a third of the angels defecting to satan's side - that's a lot of heavenly bodies that could be redirected to be used to destroy the earth. In Enoch78:5 it's mentioned that one of the angel's job was to ensure that the stars/planets stay in their orbit.

Book of Enoch78:5

5. When that their visible situation is completed. Such is the appearance and likeness of every luminary, which **Uriel the great angel who conducts them**, shewed me.

Any proof?

The bible states that the purpose of earth was it to be inhabited and He didn't create chaos Is45:18, God is perfect Mt5:48, God is not an author of Confusion 1Cor14:33 and God was pleased with His creation Prov8:31. Habitation requires stable conditions. One finds a chaotic history of the solar system and multiple destructions (local and worldwide) prior to and after Adam.

RSV Isaiah 45:18 For thus says the Lord, who created the heavens (he is God!), who formed the earth and made it (he established it; **he did not create it a chaos, he formed it to be inhabited!**): "I am the Lord, and there is no other.

RSV Matthew 5:48 You, therefore, must be perfect, as **your heavenly Father is perfect.**

RSV 1 Corinthians 14:33 For **God is not a God of confusion** but of peace. As in all the churches of the saints,

Sept Prov8:31 I was daily gladdened by His presence on all occasions - [both] when **He finished the world and was pleased therewith**, and when He was pleased with the sons of men."

In Gen1:2, the bible speaks about a previous total destruction of the earth. Substituting the 4 Strong's definitions of "was", "without form", "void" and "darkness" into Genesis 1:2 (highlighted verses below) verse you see the aftermath of a destruction. God didn't make a destroyed planet, He made a perfect planet ready to be inhabited. In between Gen1:1 and Gen1:2 was a vast unknown time period and that age ended with a destruction. Our age will end with a destruction.

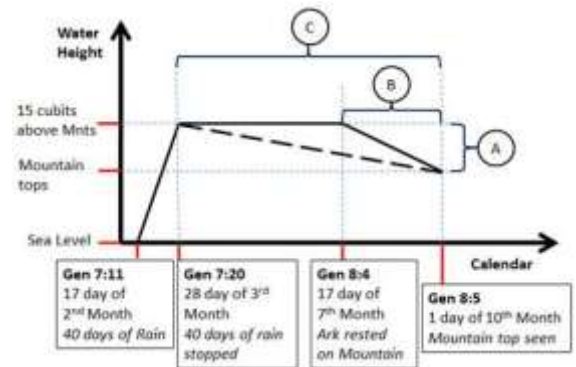

RSV Genesis 1:2

*was* *without form* *void* *darkness*  
 2 The earth **became** a desolation and **an undistinguishable ruin**, and **misery, destruction, death, ignorance, sorrow, wickedness** was upon the face of the deep; and the Spirit of God was moving over the face of the waters.

The next semi-destruction of the earth occurred at the flood of Noah. I had always imagined the flood of Noah to be a lot of water falling and then the ark gracefully lifting off the ground and drifting here and

there in a gentle rocking motion. Gen7:16-24 & Gen8:1-4 doesn't mention what was going on in the ark during the flood. Only in Gen7:19 does it mention that the 'the waters prevailed so mightily upon the earth'. What is 'so mightily'? In the book of Jasher6:8-35 (The book of Jasher is referenced in the old testament twice: Josh10:13, 2Sam1:18) describes the confusion and terror that was going on in the ark for 40 days - quite a fascinating story which has some end times connections at Jash6:28-31.

#### Jasher 6:8-35

:8 And Noah brought into the ark from all living creatures that were upon earth, so that there was none left but which Noah brought into the ark.

:9 Two and two came to Noah into the ark, but from the clean animals, and clean fowls, he brought seven couples, as God had commanded him.

:10 And all the animals, and beasts, and fowls, were still there, and they surrounded the ark at every place, and the rain had not descended till seven days later.

:11 And on that day, the Lord caused the whole earth to shake, and the sun darkened, and the foundations of the world raged, and the whole earth was moved violently, and the lightning flashed, and the thunder roared, and all the fountains in the earth were broken up such as was not known to the inhabitants before; and God did this mighty act, in order to terrify the sons of men, that there might be no more evil upon earth.

:12 And still the sons of men would not return from their evil ways, and they increased the anger of the Lord at that time, and did not even direct their hearts to all this.

:13 And at the end of seven days, in the six hundredth year of the life of Noah, the waters of the flood were upon the earth.

:14 And all the fountains of the deep were broken up, and the windows of heaven were opened, and the rain was upon the earth forty days and forty nights.

:15 And Noah and his household, and all the living creatures that were with him, came into the ark on account of the waters of the flood, and the Lord shut him in.

:16 And all the sons of men that were left upon the earth, became exhausted through evil on account of the rain, for the waters were coming more violently upon the earth, and the animals and beasts were still surrounding the ark.

:17 And the sons of men assembled together, about seven hundred thousand men and women, and they came unto Noah to the ark.

:18 And they called to Noah, saying, Open for us that we may come to thee in the ark - and wherefore shall we die?

:19 And Noah, with a loud voice, answered them from the ark, saying, have you not all rebelled against the Lord, and said that he does not exist? And therefore the Lord brought upon you this evil, to destroy and cut you off from the face of the earth.

:20 Is not this the thing that I spoke to you of one hundred and twenty years back, and you would not hearken to the voice of the Lord, and now do you desire to live upon earth?

:21 And they said to Noah, We are ready to return to the Lord; only open for us that we may live and not die.

:22 And Noah answered them, saying, Behold now that you see the trouble of your souls, you wish to return to the Lord; why did you not return during these hundred and twenty years, which the Lord granted you as the determined period?

:23 But now you come and tell me this on account of the troubles of your souls, now also the Lord will not listen to you, neither will he give ear to you on this day, so that you will not now succeed in your wishes.

:24 And the sons of men approached in order to break into the ark, to come in on account of the rain, for they could not bear the rain upon them.

:25 And the Lord sent all the beasts and animals that stood round the ark. And the beasts overpowered them and drove them from that place,

and every man went his way and they again scattered themselves upon the face of the earth.

:26 And the rain was still descending upon the earth, and it descended forty days and forty nights, and the waters prevailed greatly upon the earth; and all flesh that was upon the earth or in the waters died, whether men, animals beasts, creeping things or birds of the air, and there only remained Noah and those that were with him in the ark.

:27 And the waters prevailed and they greatly increased upon the earth, and they lifted up the ark and it was raised from the earth.

:28 And the ark floated upon the face of the waters, and it was tossed upon the waters so that all the living creatures within were turned about like pottage in a cauldron.

:29 And great anxiety seized all the living creatures that were in the ark, and the ark was like to be broken.

:30 And all the living creatures that were in the ark were terrified, and the lions roared, and the oxen lowed, and the wolves howled, and every living creature in the ark spoke and lamented in its own language, so that their voices reached to a great distance, and Noah and his sons cried and wept in their troubles; they were greatly afraid that they had reached the gates of death.

:31 And Noah prayed unto the Lord, and cried unto him on account of this, and he said, O Lord help us, for we have no strength to bear this evil that has encompassed us, for the waves have surrounded us, mischievous torrents have terrified us, the snares of death have come before us; answer us, O Lord, answer us, light up thy countenance toward us, and be gracious to us, redeem us and deliver us.

:32 And the Lord hearkened to the voice of Noah, and the Lord remembered him.

:33 And a wind passed over the earth, and the waters were still and the ark rested.

:34 And the fountains of the deep and windows of heaven were stopped, and the rain from heaven was restrained.

:35 And the waters decreased in those days, and the ark rested upon the mountains of Ararat.

Reading the book of Jubilees (written post-flood) and the book of Enoch (written pre-flood) one discovers that the calendar in Enoch was changed after the flood. The book of Jubilees showed that Noah added 1 extra day to the calendar Jub6:15,28-30 [a year was 364 days plus 1 day celebration day].

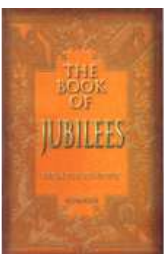

Book of Jubilees 6:15,28-30

15. On this account it is ordained and written on the tablets of heaven that the celebration of the festival of weeks should be in this month, once a year, for a renewed covenant in each year and year.

28. And all the days of this commandment are fifty-two Sabbaths of days, and the whole year is complete.

29. Thus it is engraved and ordained in the tablets of heaven, and there is no transgression from one year to another.

30. And thou command the children of Israel that they should observe the years in this number, three hundred and sixty-four days, and the year shall be complete and the fixed date of their days and their festivals shall not be corrupted, for everything transpires in them according to their testimony, and they (Israel) shall not miss a day or corrupt a festival.

Impossible! How could the calendar change? That's unscientific and shows that the bible is not the word of God. What if there are ancient artifacts that show that the calendar year was not always 365.2524 days?

## Aztec Calendar

Ancient civilizations used calendars to measure the passage of time and the recurrence of the seasons. Most of the ancient calendars are not the same due to the seasonal differences in the various parts of the world. All civilizations who have engaged in farming and agriculture have needed a way to track and predict when the best time to plant and harvest their crops. This is done by tracking the heavenly bodies of the sun, moon and stars. <sup>[1]</sup>It is described as functioning as a graphic symbol of the Post-classic concept of cyclical time and space. <sup>[2]</sup>

**The original Aztec calendar system had 260 days based on 20 names and 13 numbers. They called this the "count of days" or tonalpohualli. When counting days, for example, for each new day the number and day sign changes until all the numbers and names are used (20x13=260 day year)**

**The Aztec calendar then evolved to a 360 day calendar with 5 days added on to the end, which is very similar to the Mayan calendar.** They called this Xiuhpohualli. When comparing the permutation cycles of the Mayan and Aztec calendars, they come within a day of exactly matching. <sup>[3]</sup>

Ask most people who are the oldest civilization or where the oldest civilization lived and you'll here answers like Mesopotamia (Iraq), Egypt or Iran. While these cultures can be traced back to 4000 B.C., **the mysterious ruins of Tiahuanaco, in Bolivia, could be 14,000 years old!**

If you think the Great Pyramid in Egypt is a technological marvel, wait until you see what artists and engineers were doing in Tiahuanaco. This culture thrived at the breathless, oxygen deprived **elevation of 13,000 feet.** They managed to somehow **move stones weighing up to 200 tons** and invented modular building techniques that would even today, be cutting edge.

The most famous icon of the archaeological site at Tiahuanaco is the Sun Gate. This structure has been described as a "calendar" almost as long as the monolithic gateway has been known to exist; thus **the Sun Gate has also been called 'the Calendar Gate'.** This calendar sculpture, though it undoubtedly depicts a "solar year," cannot however be made to fit into the solar year as we divide it at present. **The calendar has only 290 days,** divided into 12 "twelfths" of 24 days each, plus 2 intercalary days.

Some researchers have attempted to explain this as being a ritualistic calendar while others have claimed that, 14,000 years ago, the length of a year was somehow different from today. Still others believe that it may represent a year on some another planet.

Analysis of this culture has shown that ancient Tiahuanacan scientists knew that the earth was a globe which rotated on its axis and they calculated exactly the times of eclipses -- even those not visible at Tiahuanaco but visible in the opposite hemisphere.

Pasted from <<http://www.viewzone.com/tiax.html>>

A culture that was smart enough to calculate the eclipses (which you need to know the Earth's and the moon's orbit around the sun) but couldn't create a calendar correctly? A culture that had the engineering knowledge on how to transport 200 ton objects (largest crane can only lift 70 tons) up to 13,000 feet but didn't know the number of days in a year?

What could cause the number of days on a calendar to change? The calendar would change if the earth is pushed into a farther orbit around the sun. What could change the orbit of the earth?

That will be left to part 2 of this study.

KJV Joshua 10:13 And the sun stood still, and the moon stayed, until the people had avenged themselves upon their enemies. Is not this written in the **book of Jasher**? So the sun stood still in the midst of heaven, and hasted not to go down about a whole day.

KJV 2 Samuel 1:18 (Also he bade them teach the children of Judah the use of the bow: behold, it is written in the **book of Jasher**.)

RSV Genesis 8:1-4

- 1 BUT GOD remembered Noah and all the beasts and all the cattle that were with him in the ark. And God made a wind blow over the earth, and the waters subsided;
- 2 the fountains of the deep and the windows of the heavens were closed, the rain from the heavens was restrained,
- 3 and the waters receded from the earth continually. At the end of a hundred and fifty days the waters had abated;
- 4 and in the seventh month, on the seventeenth day of the month, the ark came to rest upon the mountains of Ararat.
