

## Destruction of our youth – Oct 1, 2014

Satan isn't real and you can't get possessed by reading a book or cruising the internet.

Wrong. That is exactly where the devil and his demons lurk and wait for unsuspecting Christians to open up the doors of their mind and spirit.

The internet is ripe for young and old minds to become corrupted. One of the possession tactics is to read horror stories. Instead of filling your mind with the bible and meditating on the law - children are meditating on satan.

KJV Psalms 77:12 I will meditate also of all thy work, and talk of thy doings.

KJV Psalms 119:15 I will meditate in thy precepts, and have respect unto thy ways.

KJV Psalms 119:23 Princes also did sit and speak against me: but thy servant did meditate in thy statutes.

KJV Psalms 119:148 Mine eyes prevent the night watches, that I might meditate in thy word.

One internet demon that the youth are obsessed with is the "Slender man". The girl below is charged with stabbing her friend 19 times in order to kill her so she could be closer to the satanic slender man internet character.

Two Wisconsin tweens lured their friend to an overnight birthday party then stabbed her 19 times and left her for dead in the woods as a sacrifice to a [mythical Internet character](#), cops said...

To show their loyalty to [Slender Man](#) and to prove the creature was real, they planned to kill their friend and very nearly succeeded in doing so...

The suspects told cops they wanted to kill the victim as a sacrifice to [Slender Man](#), whom they thought they'd meet after committing the slaying, enabling them to prove to skeptics that the mythical creature was real.

Geyser and Weier thought that Slender lived in a mansion inside [Nicolet National Forest](#) in northern Wisconsin, and the two planned to [make the 318-mile walk](#) to the forest after killing their friend.

They explained to cops that killing another person would qualify them as "proxies" to SlenderMan, putting them two steps below the character in Slender's pecking order....

Geyser stated they ran up the road and they saw a police officer had come to the scene and they were hiding in the woods. At one point Geyser stated she was sorry. When asked [what happened to the knife](#) after they stabbed P.L., Geyser stated Geyser put the knife back into her bag and wiped it off on her jacket. Geyser then stated to Detective Casey, "[it was weird that I didn't feel remorse.](#)"...

The 2 girls [didn't have any remorse](#) in wanting to kill their friend! How dark and demon possessed they are.

Another slender man influenced attack by a youth in Ohio. A daughter ambushed her mom with a kitchen knife. Her mom thought she was someone else and the mom was right. The girl opened herself up for demon invitation and the demon came in and possessed her.

An Ohio girl, under the apparent influence of the fictional Internet horror meme, [attacked her mother last week with a kitchen knife](#), authorities said.

“I came home one night from work, and she was in the kitchen waiting for me, and she was wearing a mask, a white mask,” the suburban Cincinnati mother told a local television station. “She was someone else during the attack.”...

Slender Man, a computer demon created by paranormal enthusiasts, is said to be a lanky, faceless creature in a suit who terrorizes and kidnaps children.

Part Lurch from “The Addams Family” and part Freddie Kruger, the ghoulish, faceless Web creation is the **obsession of his young fans.**

Eyes are the window of the soul if the eyes are watching and reading satanic material then that material will darken the soul

[New American Standard Bible](#) (NASB) Mt6:22-23

22 **"The eye is the lamp of the body;** so then if your eye is clear, your whole body will be full of light.

23 but if your eye is bad, your whole body will be full of darkness. **If then the light in you is darkness, how great is the darkness!**

The "great minds" of society have a solution for these youth violence:

“[Prevention] is largely dependent on which explanation for youth violence you subscribe to but following along the lines of socializing influences as a source of youth crime and violence, one approach involves creating holistically healthy environments for youth to learn and thrive in,” Walsh also noted. “This includes healthy stable homes with [nurturing] and guidance, attentive educational institutions reinforcing positive ... lessons from home. If families, schools, and communities are engaged and coordinate their efforts then prevention should not be difficult.”

Added Burke, “I always tell parents to keep the lines of communication open with their child. **Know their child’s friends and the parents of those friends. Monitor their child’s activities at school, at home, in the community, and on-line.** Set clear expectations for them and clear consequences for problem behaviors. Praise, praise, praise frequently and at every opportunity.”

What is missing is any mention of needing Jesus or praying over your children.

The father was aware of Morgan Geysers' obsession with Slender Man. The father's handle on the instagram page was deadboy420. If the parents are not standing in the light neither will the children.

**Morgan’s father, Mark Geysers, was aware of his daughter’s obsession with Slender Man** and posted a Slender Man drawing by Morgan on his Instagram page, which has been removed but is [viewable on this Google-cached Ink361 page.](#)

The caption read: “Only Mogo draws Slenderman on a napkin in crayon when we’re out for dinner.”

Christian Parents are losing their children. Some parents have been diligent and watched every spot but they too have lost their children. We live in an evil age and the fine line of life and death is a mighty narrow road.

All parents need to be praying for their children and anyone who might come in contact with their children.
